Minutes

Date: February 01, 2016

Meeting called to order 9:00am, in attendance Dana Moody and Gerry Hill.

Reviewed applications for exemptions received to date, the board voted to grant the exemptions as submitted. See Journal for list of exemptions granted. These exemptions include: veterans, elderly, low income elderly and blind.

Deb Webster stated there are more commercial applications for abatements than in past years. We have a smaller number of applications overall (15-20). As there are more commercial applications the amount that could potentially be abated may be larger than in years past. Taxpayers have until the end of business today to apply. We are expecting a few more applications to come in from people who came in for the forms or called to get the form on line.

Once all the appeals are in they will be forwarded the Board's consultant, Bill Krajewski, to work on.

10:15am Board voted to adjourn

Respectfully Submitted,

Debra Webster
Office Manager
