Prior Approvals

2014	\$150,000
2015	\$150,000
2016	\$ 50,000

MassDOT government funds to be awarded

\$ 3.5 – 4.5 million for all construction costs (expected in 2021 -2022)

2020 CPA Funding Requested:	\$17,000
Total Cost of Proposed Project	\$367,000
(Groveland portion)	

E. Project Information

As proposed the Groveland Community Trail will be a 3.25-mile shared use, one motorized path – on road/sidewalk from Town Hall to 441 Main St, continuing off road along National Grid utility Right of way to its intersection with King Street. When completed the trail will connect many important town assets and resources while creating near-term opportunity to unite Groveland with a larger regional trail network. Funds requested for this supplemental request are solely for the 1.95-mile off-road trail segment and will be used to complete final planning and to implement a required conservation restriction as mitigation for a portion of the trail.

F. Goals

The goal of this proposal is to complete the final planning phase and the conservation restriction in order to secure funding for the trail from MassDOT.

G. Community Support

In three separate town meetings, funds have been overwhelmingly approved for the community trail. Town citizens are in full support of completing the project.

H. Budget

Remaining planning and direction by vendor \$ 17,000.

Total Requested \$17,000

I Project Management

For the town to project is being managed by Mike Davis of the GOSTC with assistance from Denise Dembkoski our town Finance Director.

The engineering and planning are being provided by the town's vendor, Stantec.
