Meeting Minutes

December 17, 2021

Called to order at 0900 hours.

Present: Dower, Cotton, Kastrinelis, and Superintendent Desrosiers.

Motion by Dower to accept minutes from 12/02/21. Second - Cotton.
Favorable - Unanimous.

Superintendent Concerns:

1. There is a new section of washout on the repaired section of Elm.
2. The corners of Redwood and Alice have been re-worked to protect the areas from careless drivers.
3. Checking with Highway about the installation of Jersey barriers in the loom and stone storage area.
4. All the new fencing products are on order and the installation has been signed off by the T.A.

Capital Purchases Review FY23-25:

1. Front Loader with Cab and backhoe - FY23
2. Mower FY23.
3. Mower FY25.

The Superintendent will compile and submit our current capital inventory as requested by the T.A.

The Walker mower will be moved to surplus status with Town Hall approval for FY23. This will allow us to use the trade-in value or generated funds to help subsidize the cost of the replacement mower. The balance due will be paid from the Perpetual Care account.

Adjourned at 0945 hours.

Respectfully Submitted,

M.A. Kastrinelis - Secretary
