

Groveland Riverview Cemetery
Meeting Minutes

TOWN OF GROVELAND
2021 SEP -7 AM 9:41
TOWN CLERK
EMPLOYER/REGISTER

March 12, 2021

Meeting called to order at 1115 hours.

Present: Dower and Kastrinelis

Motion by Dower to accept minutes from February 18, 2021. Second – Kastrinelis. Favorable – Unanimous.

Chairman Concerns:

1. Discussion about the installation of a dump bed unit and a sander on the new cemetery truck. No vote taken.
2. Tree trimming/removal. We have identified a tree on the right side of the main entranceway and Alice Ave. that will need trimming or removal. There is also a stump on the left side of the entranceway that will require removal. Both items will be referred to the Superintendent.
3. Lot #3 Billis Way. The owner of Lot #3 is requesting a formal written agreement involving the fencing and stabilization of the washout areas on the property line. We are not in a position to legally execute such an agreement on behalf of the town. There are also town meeting vote issues involved in this type of situation. We've determined that it would be beneficial to have the owner of Lot #3 attend our next posted meeting to explain our position in this matter. Chairman Dower will attempt to set this up.

Meeting adjourned at 1135 hours.

Respectfully Submitted,
M.A. Kastrinelis - Secretary
