September 23, 2021

Meeting called to order at 1002 hours.

Present: Dower, Cotton, Kastrinelis, and Sup. Derosier

Motion by Dower to accept meeting minutes from 9/7/21. Second – Cotton. Favorable – unanimous.

Budget: Vehicle fuel line item is already projecting a deficit. Superintendent is checking with Highway Dept about re-imbusement for fuel during snow plowing operations for the town this winter.

**Superintendent Concerns:**

1. Urn Vaults. Our current supplier is having stocking issues. We will allow families to select type of vault (plastic vs cement) for interments.
2. Fencing. Awaiting a quote for the property line on Lot #3 Billis Way. The current vendor believes the entire line is stable enough to allow proceeding with the full installation of fencing. Still awaiting a determination on the front entrance fencing location.

**Future Items:**

1. We will need town approval to fill in any roadway within the cemetery because the roads are town owned.
2. Road Repair Priority. The roads identified as needing repairs, in priority order are : Elm, Cyprus, Catalpa, and Birch. Still awaiting a reply from the Highway Superintendent on a timeframe for the repairs.
