KNOW YOUR GIC BENEFITS

Commonwealth of Massachusetts
Group Insurance Commission

2019 – 2020 Overview

Annual Enrollment offers you the opportunity to review your benefit options and enroll in or change your coverage.

☐ **REVIEW THIS GUIDE TO IDENTIFY WHICH HEALTH INSURANCE PRODUCTS ARE OFFERED AND WHICH ONE IS THE BEST FOR YOU.**

TIP: Use the locator maps on pages 5 and 9 to find which products are offered in your area. Based on that, you can use the rate chart on page 4 and the “Benefits-at-a-Glance” on pages 6-7 and 10 to determine which product is right for you.

☐ **MAKE SURE YOU UNDERSTAND YOUR OPTIONS.** For example, if you are a non-Medicare retiree, you may have the option to select a lower cost regional or limited network product. These products have the same or better benefits as broad network products, but at a lower cost because they have a smaller network of providers (doctors and hospitals). For more information about these differences, visit our website: mass.gov/gic-annual-enrollment, or call us at **1.617.727.2310**.

☐ **CONTACT YOUR HEALTH AND OTHER INSURANCE CARRIERS ABOUT ANY PRODUCT OR TIER CHANGES.** This includes questions about network coverage, providers, drug tiers or wellness benefits. *(See page 15 for carrier contact information.)*

☐ **ATTEND A GIC BENEFIT FAIR TO HAVE YOUR QUESTIONS ANSWERED IN PERSON.** These events provide the chance to speak with GIC staff and carrier representatives about the products and benefits available to you. See page 14 for the full schedule of fairs.

☐ **NEW HIRE?** Check our website for Employment & Eligibility: bit.ly/GICNewHires.

☐ **TURNING 65?** Check our website for a video to guide you through the next steps, whether you’re retiring or not: bit.ly/GICTurning65.

☐ **MAKE SURE YOU SUBMIT ALL FORMS TO THE GIC OR TO YOUR GIC COORDINATOR NO LATER THAN MAY 1, 2019.**

If you want to keep your current benefits, you do not need to complete any paperwork, as your coverage will continue automatically.

IMPORTANT REMINDERS

- 1. Active municipal employees can enroll in coverage for the first time at Annual Enrollment or within 60 days of a qualifying event.** Qualifying events include: marriage, birth/adoption of a child, involuntary loss of coverage, spouse’s Annual Enrollment or return from an approved FMLA or military leave.
- 2. New hires must enroll in coverage during their first 10 days of employment.**
- 3. Once you choose health care coverage, you cannot change products until the next Annual Enrollment period unless you have a qualifying event.** Even if your doctor or hospital leaves your network you must remain enrolled in your selected plan until the next Annual Enrollment, unless you have an eligible qualifying status change. You can find a list of qualifying status changes on the GIC’s Annual Enrollment website at mass.gov/gic-annual-enrollment.
- 4. Physician and hospital copay tiers change each July 1.** If you are enrolled in a non-Medicare plan, please check with your health insurance carrier to see if your provider(s) or hospital tier has changed.
- 5. Doctors and hospitals within your network may change during the year.** If your doctor is no longer available, your health insurance carrier will help you find a new one.
- 6. When checking provider coverage and tiers, be sure to specify the health insurance product’s full name, such as “Tufts Health Plan Spirit” or “Tufts Health Plan Navigator,” and not just “Tufts Health Plan.”** Your health insurance carrier is the best source for this information.

If you are a MEDICARE eligible GIC Retiree:	If you are an ACTIVE or NON-MEDICARE eligible GIC Retiree:
<ul style="list-style-type: none">No benefit changes in GIC Medicare Plans	<p>Neighborhood Health Plan Prime is now called AllWays Health Partners Complete HMO.</p> <p>A lower copay of \$150 for members who utilize freestanding facilities for eye procedures and GI endoscopies. Copays for procedures at hospital outpatient facilities would remain the same at \$250 this fiscal year.</p> <p>Check with your carrier to see if your provider is still in the network, or if copays have changed. See page 15 for carrier contact information.</p>

- Copay:** A fixed dollar amount (e.g., \$20) that you pay for a covered health care service, such as a visit to your doctor or a specialist.
- Deductible:** A dollar amount you need to pay each year before your product pays for covered health care services.
- Out-of-Pocket Maximum:** The maximum amount you will pay each year for certain covered services that apply toward the maximum, after which your product will begin to pay in full for these covered services.
- Coinsurance:** Your share of the costs of a covered health care service, typically calculated as a percentage of the amount allowed for the service provided.
- Out-of-Network Provider:** A medical provider which has not contracted with your insurance company for reimbursement at a negotiated rate. Some health insurance products, like HMOs, do not reimburse out-of-network providers at all, which means that you would be responsible for the full amount charged by your doctor.
- Freestanding Facility:** A facility that performs procedures that is not owned by a hospital. Visit your carrier's website for a list of freestanding facilities.

GIC IS GOING GREEN!

THE GIC IS TAKING STEPS TO BECOME GREENER!

This year's Benefits Decision Guide uses less paper, but still provides the benefit information you need in a clear, easier to read format.

This guide costs less to print and is better for our environment. In the future, the GIC will be reducing its use of paper and move toward greater use of digital tools to communicate with our members. You can still find and download information about the GIC's benefits on our website: mass.gov/orgs/Group-Insurance-Commission.

Effective July 1, 2019

Full Cost Rates include the 0.35% Administrative Fee.

Full cost rates are not paid fully by members, but are partially covered by the city or town, and is dependent on your city or town's contribution ratio.

*Peace of Mind Program

**Out-of-pocket maximums apply to medical and behavioral health benefits across all health insurance products.
Prescription drug (Rx) benefits are included in the out-of-pocket maximums for all health insurance carriers.**

The GIC contracts with Express Scripts (ESI) to manage the prescription drug benefit for all GIC non-Medicare health insurance products. You are required to use your ESI ID card when filling your prescriptions. You will be able to access a broad network of retail pharmacies to fill a 30-day supply and can fill a 90-day supply through mail order or at a CVS Pharmacy.

Prescription Drug Deductible

All GIC non-Medicare medical products have a fiscal year Rx deductible of \$100 individual/\$200 family. The prescription drug deductible is separate from your health product deductible. Once you've paid your prescription deductible, your covered drugs will be subject to copayment.

Drug Copayments

All GIC health products provide benefits for prescription drugs using a three-tier copayment structure in which your copayments vary, depending on the drug dispensed. Contact ESI with questions about your specific medications. Please note, covered medications may change in January and July.

Tier 1: You pay the **lowest copayment**. This tier is primarily made up of generic drugs, although some brand name drugs may be included. Generic drugs have the same active ingredients in the same strength as their brand name counterparts. Brand name drugs are almost always significantly more expensive than generics.

Tier 2: You pay the **mid-level copayment**. This tier is primarily made up of brand name drugs, selected based on reviews of the relative safety, effectiveness and cost of the many brand name drugs on the market. Some generics may also be included.

Tier 3: You pay the **highest copayment**. This tier is primarily made up of the brand name drugs not included in Tiers 1 or 2. Generic or brand name alternatives for Tier 3 drugs may be available in Tiers 1 or 2.

MEDICARE PART D PRESCRIPTION

Drug Reminders and Warnings

For most GIC Medicare enrollees, the drug coverage you will have through your GIC health plan is a better value than a basic Medicare Part D drug plan. Therefore, most individuals should not enroll in a non-GIC Medicare Part D drug plan.

- A “Notice of Creditable Coverage” is in your plan handbook. It provides proof that you have comparable or better coverage than Medicare Part D. If you should later enroll in an individual Medicare drug plan because of changed circumstances, you must show the Notice of Creditable Coverage to the Social Security Administration to avoid paying a penalty.
- All GIC Medicare plans automatically include Medicare Part D coverage. Do not enroll in a non-GIC Medicare Part D product. If you enroll in another Medicare Part D drug product, the Centers for Medicare & Medicaid Services will automatically dis-enroll you from your GIC health product, which means you will lose your GIC health, behavioral health, and prescription drug benefits.
- If you have extremely limited income and assets, contact the Social Security Administration to find out about subsidized Part D coverage.
- If your adjusted gross income, as reported on your federal tax return, exceeds a certain amount, Social Security will impose a monthly additional fee called IRMAA (Income-Related Monthly Adjustment Amount). Visit **[medicare.gov](https://www.medicare.gov)** for more information. Social Security will notify you if this applies to you.

Do any of these circumstances apply to you?

Marriage or remarriage

Birth or adoption of a child

Remarriage of a former spouse

Dependent age 19 to 26 who is no longer a full-time student

Dependent other than full-time student who has moved out of your health plan's service area

Death of a covered spouse, dependent or beneficiary

You have GIC COBRA coverage and become eligible for other coverage

The product offers a fixed reimbursement of up to \$1,250 per member per year for dental services (e.g. dental examinations, dental cleanings, fillings, crowns, dentures, dental implants). As a member, you may see the dentist of your choice but may pay a higher cost. You can reduce your dental costs by visiting one of the over 370,000 nationwide network of participating dentists. When you visit a MetLife provider, your out-of-pocket expenses will be lower, as you usually pay the lower negotiated fee, even after you have exceeded your annual maximum.

This is an entirely voluntary (retiree-pay-all) plan that provides GIC members with coverage at discounted group insurance rates through convenient pension deductions.

Eligibility

Retirees and survivors from the following municipalities that have elected to offer the plan are eligible:

City of Melrose	Town of Marblehead	Town of Swampscott
Town of Ashland	Town of Middleborough	Town of Weston
Town of Bedford	Town of Millis	Town of Westwood
Town of Brookline	Town of North Andover	Athol Roylston School District
Town of Holbrook	Town of Randolph	Northeast Metropolitan Regional Vocational School District

If your municipality is not listed, you are not eligible for GIC Retiree Dental benefits. Contact your municipal benefits office for additional information.

Enrollment

Eligible retirees and survivors may join during Annual Enrollment, or within 60 days of a qualifying status change, such as when COBRA dental coverage ends, when you become a survivor of a GIC member, or at retirement.

However, if you were ever enrolled in the GIC Retiree Dental Plan and canceled the coverage, you are not able to re-enroll in the plan.
