2020–2021 OVERVIEW

KNOW YOUR GIC BENEFITS

Commonwealth of Massachusetts
Group Insurance Commission

Annual Enrollment offers you the opportunity to review your benefit options and enroll in or change your coverage.

☐ **REVIEW THIS GUIDE TO IDENTIFY WHICH HEALTH INSURANCE PRODUCTS ARE OFFERED AND WHICH ONE IS THE BEST FOR YOU.**

TIP: Use the locator map on page 5 to find which products are offered in your area. Based on that, you can use the rate chart on page 4 and the “Benefits-at-a-Glance” on pages 6-7 to determine which product is right for you.

☐ **CHECK WITH YOUR HEALTH AND OTHER INSURANCE CARRIERS ABOUT ANY PRODUCT OR TIER CHANGES.** This includes questions about network coverage, providers, drug tiers, or wellness benefits. (See page 15 for carrier contact information.)

☐ **ATTEND A GIC BENEFIT FAIR.** These events provide the chance to speak with GIC staff and carrier representatives about the products and benefits available to you. Schedule subject to change. Check our website for updates: bit.ly/gichealthfairs2020.

☐ **NEW HIRE?** Check our website for Employment & Eligibility: bit.ly/gicnewhires.

☐ **TURNING 65?** Check our website for a video to guide you through the next steps, whether you’re retiring or not: bit.ly/gicturning65.

☐ **SUBMIT ALL FORMS TO YOUR GIC COORDINATOR NO LATER THAN MAY 1, 2020.** All forms are available on the GIC website (bit.ly/gicforms). Changes go into effect July 1, 2020.

If you make no changes, your current health benefits will remain in place at the new rates effective July 1, 2020.

IMPORTANT REMINDERS

- 1. Annual enrollment is your once-a-year opportunity to change your health plan or coverage election.**
- 2. You may make certain changes to your elections within 60 days of a qualifying event.** Qualifying events include marriage, birth/adoption, involuntary loss of other coverage, spouse’s Annual Enrollment or return from an approved FMLA or military leave. Your doctor or hospital leaving a network is not a qualifying event. For complete details, go to bit.ly/gicliferevents.
- 3. New hires must enroll in coverage within the first 10 days of employment.**
- 4. Doctors and hospitals within your network may change during the year.** If your doctor is no longer available, your health insurance carrier will help you find a new one.
- 5. When checking provider coverage and tiers, specify the health insurance product’s full name, such as “Tufts Health Plan Spirit” or “Tufts Health Plan Navigator,” and not just “Tufts Health Plan.”** Your health insurance carrier is the best source for this information.
- 6. Do not enroll in a non-GIC Medicare Part D product.** All GIC Medicare plans include Medicare Part D coverage. If you enroll in another Part D product, the Centers for Medicare and Medicaid Services will disenroll you from your GIC coverage. This means that you will lose your GIC health, behavioral health and prescription drug benefits.

THE GIC IS
GOING
DIGITAL!

THE GIC IS ALWAYS LOOKING FOR NEW WAYS TO
CONNECT WITH YOU.

You can print a copy of this guide at mass.gov/gic.

If you are a **MEDICARE** eligible GIC Retiree:

No benefit changes in GIC Medicare Plans

If you are an **ACTIVE** or **NON-MEDICARE** eligible GIC Retiree:

The GIC regularly reviews its plans to be sure they offer medical and behavioral health benefits that meet state and federal “parity” laws—in other words, that the plans treat behavioral health benefits the same as or better than the way they treat medical benefits.

This year, you’ll see changes to the UniCare Basic, Choice and Plus behavioral health benefits that put them more in line with the medical benefits under those plans. The GIC has eliminated or reduced some copays and deductibles. For details, see the UniCare Handbooks, available no later than July 1, 2020, at mass.gov/gic.

Check with your carrier to see if your provider is still in the network. See page 15 for carrier contact information.

GO DIGITAL!

If GIC has your email address you may use *myGICLink* to access enrollment forms to make Annual Enrollment changes.

- Go to bit.ly/mygiclink
- Enter your email address and DOB
- Choose your GIC form(s)
- Select *Request*
- Check your email for the requested form(s)
- Follow instructions for completion
- Select *Submit*
- Watch your email for confirmation of receipt

GIC protects you from balance billing under Massachusetts General Law Chapter 32A, §20.

If you receive covered, medically necessary medical care *in Massachusetts*, doctors, hospitals, and other medical providers may only collect the amount covered by your GIC plan. You are still responsible for your share of the plan’s copays, deductibles, and any other eligible medical out-of-pocket costs, but **not** any excess.

Always compare bills to the Explanation of Benefits (EOB) statement provided by your GIC health carrier. If you are not sure your invoice is a balance bill, call your health carrier. If it is a balance bill, advise your provider that as a GIC member, you are not liable for their excess compensation. If your provider persists in efforts to collect, contact the Group Insurance Commission.

Avoid the Retail Refill Penalty!

If you or a family member is taking a long-term medication—such as for high cholesterol or high blood pressure—you will receive a letter from Express Scripts asking you to tell them how you wish to receive your future refills—by mail or at your local CVS pharmacy.

If you choose to have your medication delivered to your home, your copay is lower. You can still pick up your medication at your local CVS pharmacy, but you’ll pay a higher copay*.

Make sure you respond to that letter from Express Scripts before your third refill, or you will be charged a significant penalty.

*If you choose the Express Scripts Pharmacy or a CVS™ pharmacy, you will pay one mail order copay for a 90-day supply of medication. If you use a non-CVS pharmacy, you will pay one retail copay for a 30-day supply of medication.

Effective July 1, 2020

Full cost rates include the 0.35% administrative fee.

You do not pay the full cost rate. Your share of the cost depends on your city or town cost-sharing arrangement. Contact your local benefit coordinator for information on your premiums.

**Out-of-pocket maximums apply to medical and behavioral health benefits across all health insurance products.
Prescription drug (Rx) benefits are included in the out-of-pocket maximums for all health insurance products.**

Express Scripts (ESI) administers the GIC prescription drug benefit for non-Medicare health insurance products. Use your ESI ID card when filling prescriptions.

Prescription Drug Deductible

You pay an annual prescription drug deductible of \$100/individual and \$200/family, separate from your health plan deductible. Once you have paid your prescription drug deductible, your covered prescriptions are subject to a copay.

Drug Copays

All GIC health plans feature a three-tier copay structure. Contact ESI with questions about your specific medications.

Tier 1: You pay the **lowest copay**. Most generic drugs fall into this tier.

Tier 2: You pay the **mid-level copay**. Many brand-name drugs fall into this tier.

Tier 3: You pay the **highest copay**. This tier includes brand-name and generic drugs that don't fall into Tiers 1 or 2.

Covered drugs may change each January and July, when ESI updates its drug formulary.

MEDICARE PART D PRESCRIPTION DRUG COVERAGE

IMPORTANT

- **Do not enroll in a non-GIC Medicare Part D product.** All GIC Medicare plans include Medicare Part D coverage. If you enroll in another Part D product, the Centers for Medicare and Medicaid Services will disenroll you from your GIC coverage. This means that you will lose your GIC health, behavioral health and prescription drug benefits.
- A "Notice of Creditable Coverage" is located in your plan handbook. It provides proof that you have comparable or better coverage than Medicare Part D. If you should later enroll in an individual Medicare drug plan because of changed circumstances, you must show the Notice of Creditable Coverage to the Social Security Administration to avoid paying a penalty.
- If you have extremely limited income and assets, contact the Social Security Administration to find out about subsidized Part D coverage.
- If your adjusted gross income, as reported on your federal tax return, exceeds a certain amount, Social Security will impose a monthly additional fee called IRMAA (Income-Related Monthly Adjustment Amount). Visit **medicare.gov** for more information. Social Security will notify you if this applies to you.
