Opening meeting 4.30 p.m. 1/31/2018

Present J.Osborne (Chair) Anita Wright COA representative,  
Kevin Cunniff, Kermit Cross and Kim Jackson

The committee was informed by J.Osborne that the alternative assessment of the Cost analysis in regards to Construction Factors was not out of line with the architect's recommendation.

The Road Commissioner's assessment of costs for site work was quoted as \$156,000. K.Cross pointed out that a revision of this number was necessary to include two handicaps ramps bringing the revised cost to \$160,000.

The committee discussed revised Westminster Plan significantly different from the architect's plan which is shown in the attachment.
