Subject: FW: Posting for Conservation Saturday morning 10/21

Importance: High

Hi Anne,

We are having a site visit on Saturday morning to look at the firing range. We are not required to post site visits but we may want to meet afterwards to discuss the visit. I'd like to post that but I won't get in before 48 hours. Can you post this for me within the 48 hours which would be Thursday at 9:15 am?
