

Certificate of Commendation

Presented to

Detective Steven Petrone

For your actions on December 16, 2017 when you jumped into a frozen Johnsons Pond to rescue an incoherent woman whose car had crashed into the pond and was becoming submerged. You put your own safety aside to extract the woman and worked with Officer Richmond to get her out of the water and to shore. Were it not for your immediate actions, the outcome would have been far more serious.

The Groveland Board of Selectmen commend you for your professionalism, knowledge, heroism, and willingness to assist people in distress. You are a credit to yourself, the Groveland Police Department, and the entire community.

Thank you on behalf of the Town of Groveland.

Presented by the
Groveland Board of Selectmen
