

Volunteer of the Month

OCTOBER 2016

PRESENTED TO:
Shiloh Ellis

For being an advocate for homeless children through the Kettlebells4Kids campaign by travelling to more than fourteen states and personally raising more than \$15,000. Your passion and commitment to helping homeless children in Massachusetts and across the country is truly remarkable.

Volunteers do not necessarily have the time; they have the heart.

On behalf of the Town and residents, we give you the Community's Heartfelt Thanks.
