Personnel

Shaun has started as the new Library Assistant. The Page position has been offered to Justin Doucette, a high school student.

Other

The US Newsstream renewal is soon! Last year we purchased this service through MVLC, and it cost \$1,961. The cost is set to be about this amount for the renewal. While, if we renew, I hope to increase use over the next year, we have had an average of 5 searches per month since implementing it in January. I will advertise the service more over the next year if we do renew, especially to the schools.
