Notice of Public Hearings/ Availability for Review and Comment

Notice is hereby given of the Availability of the following draft Amendments and draft Document for public review and comment:

- Draft Amendment #3 to the MVMPO FFYs 2023 to 2027 Transportation Improvement Program
- Draft MVMPO Development FFYs 2024 to 2028 Transportation Improvement Program (TIP)

The TIP is a Federally mandated document that programs federal transportation funding in the region. The TIP provides a brief description of each road or transit project along with estimates of cost and the year that it will likely be advertised for construction. Any transportation project that will use federal transportation funds must be in the TIP. In addition, the MVMPO's Public Participation Plan satisfies the Merrimack Valley Regional Transit Authority's public participation process for the development of its Program of Projects.
